

Lumberjack Days 2019 Food Vendors

After discussions with many food vendors last year we are again making some changes to improve the overall festival and management of the festival. Our goal is to support the community with a great family event and great food is a part of that.

Changes for 2019:

- We have implemented two categories of food vendors. **Preferred** and **Regular**. Preferred are food vendors that have been with our event for many years and supported our efforts (including our attempts to make this easier/better). Preferred food vendors will be specifically invited to return. Regular food vendors will be food vendors that add food options not generally offered by our preferred vendors (this does not **guarantee** exclusive items). This will allow us to continue to offer a variety of menu items for the community.
- We have dropped the exclusive menu items concept. It was very hard to manage and there were many issues with the implementation and trying to understand the differences in various named menu items.

With these changes all food vendors are encouraged to submit applications **listing** your menu items. Once we have verified that the initial group of preferred vendors will be there, we will then be soliciting additional food vendors. We will be looking for food vendors that provide menu items not covered by the initial vendors. We will do that by examining food vendors that have been with previously, those that have submitted applications (with menus), and by reaching out to other food vendors in the area.

Here are the menu items that the initial vendor list will be providing:

Menu Item	Menu Item	Menu Item
Saint Pops	Thelma's Ice Cream Sandwich	Faces
Baby Back Ribs	Smoked Turkey	Pulled Pork
Sunfish Sliders	Crawfish Brats	
Gyro		
Lemonade	Snowballs	
Cheese Curds	Chicken Fajitas	Mac-n-cheese on a stick
Cheese Curds	Mini Donuts	Chicken Fries
Poncho Dog - Corn Dog	Foot Long Poncho Dog - Corn Dog	
Potato Blossoms	Fresh Cut Fries	Egg Rolls
Gyro Sandwich	Falafel Sandwich	Tabbouleh Salad
