

Hello from The Locals!

Lumberjack Days 2022, Stillwater's Historic Community Festival is coming up in July.

We are now taking applications for food vendors for this year's Lumberjack Days. It was a great festival back in 2019 (with great vendors)!

For this year we will be looking for food vendors that provide interesting or unique menu items. Our goal is not to have multiple vendors with the same menu items. We will not be able to guarantee any unique menu items, but we will work to minimize overlap. As in the past we have a group of food vendors who have been supporting Lumberjack Days for many years and we will be giving them first opportunity to participate with their menu. All food vendors are encouraged to submit applications **listing** your menu items.

Applications are now available online at <http://lumberjackdays.com/vendors>

The key dates are:

- LJD Festival - July 15, 16, & 17
- Vendor Applications/fees/etc... - due by May 15, 2022
- Set up July 14
- Tear down July 17

If you have further questions, please contact us at: vendors.thelocals@gmail.com

Thank you for your participation in Lumberjack Days and for making Stillwater's Historic Lumberjack Days a success!!
